

## Emerald Pointe Condominium Association

### POLICY ON COLLECTION OF DELINQUENT ACCOUNTS

1. The monthly assessment, and any other charges, are due on the first of each month. Any balance remaining after the 10th of the month is delinquent, and a late fee of \$15.00, may be added to the account. (Article II, Section 5)
2. A late notice will be mailed to a delinquent co-owner showing the total balance due including late fees and any collection costs.
3. When the delinquent balance of an account is equal to or greater than three (3) months assessments the co-owner will be notified that:
  - A. A lien may be recorded against the unit if the arrearage is not paid within ten (10) days.
  - B. All collection costs will be added to the member's account.
  - C. The remaining balance of the annual assessment will be immediately due and payable, if the arrearage is not paid within ten (10) days.
4. If ten days after the above notice is sent, the balance is not paid, the Association's legal counsel may be requested to record a lien against the co-owner's unit and so notify the co-owner.
5. If the account has not been paid in full within 30 days of filing the lien, the Board may then authorize the Association's legal counsel to commence a suit at law against the delinquent co-owner for all sums due to the Association including, but not limited to, late charges, assessments due through the remainder of the fiscal year, legal costs and legal fees incurred by the Association to collect the delinquency, or to foreclose upon the Association's lien against the unit, whichever course is deemed more beneficial to the Association.
